# Mississippi Chapter Future Business Leaders of America

## Creed

*I believe education is the right of every person.*

*I believe the future depends on mutual understanding and cooperation among business, industry, labor, religious, family and educational institutions, as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all of these groups.*

*I believe every person should prepare for a useful occupation and carry on that occupation in a manner that brings the greatest good to the greatest number.*

*I believe every person should actively work toward improving social, political, community and family life.*

*I believe every person has the right to earn a living at a useful occupation and that this right should not be denied because of race, color, creed, sex, or handicap.*

*I believe every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school and community.*

*I believe I have the responsibility to work effectively and to think clearly. I promise to use my abilities to make the world a better place for everyone.*
